You and your membership

We offer two levels of annual membership: AAA Basic and AAA Plus RV.

The Roadside Assistance section of this handbook indicates many of the additional roadside assistance benefits of AAA Plus RV Membership. Look for this logo throughout the handbook for the additional AAA Plus RV benefits and services.

Upgrading

If you're currently a Basic AAA Member with an average of no more than two roadside assistance calls over the last two years, you can apply to upgrade your membership to AAA Plus RV. Associate Members can upgrade if the Primary card holder has already done so.

To upgrade, call us toll-free at 866-968-7222. Please note that there's a three-day waiting period after upgrading before you can enjoy the benefits.

Please be aware that if you make four roadside assistance calls per membership year as a member with AAA Plus RV, you can only renew as a Basic Member. After two years with an average of no more than two roadside assistance calls per year, you can reapply for AAA Plus RV Membership.

Enrolling your family

You can't always be there when members of your family have a flat tire or lock their keys in the car. But AAA can.

For a little extra, you can enroll other individuals in your family such as your spouse and eligible children as Associate Members if they share your residence. They'll have their own membership cards and be able to call us for roadside assistance no matter whose car they're in. What's more, they'll enjoy all the same benefits of AAA Membership as you — discounts, savings and member-only perks.

- To sign up other individuals in your household, call us toll-free at 866-968-7222 or visit your local office.

Keeping you informed

AAA Living Magazine

All our membership households receive a subscription to AAA *Living Magazine*. It's colorful and informative, keeping you up-to-date on all the benefits, services and travel and leisure opportunities that we offer. Notice of changes in membership benefits and terms will be provided through this magazine, AAA's official publication of record.

- Please check each issue for the latest discounts.

Traffic safety

As part of our commitment to keeping our members safe on the roads, we sponsor numerous traffic safety programs, serve as a traffic safety advocate, and as a trusted resource for reliable traffic safety information and assistance. AAA's well known School Safety Patrol and reports on fuel pricing and availability are just two of the ways in which we help our members and the motoring public. We also send out educational materials to schools, parents and law enforcement agencies.

- To see our reports and materials, visit our website at AAA.com.

Legislation

We're committed to protecting your interests as a driver, so we continually evaluate and respond to legislation which affects you. We work to make sure that you're not the target of discriminatory legislation, and act as advocates for safe and efficient transportation.

Public information

We inform our members and the general public about travel, legislation, traffic safety and consumer affairs through news releases, media kits, interviews, public appearances, educational programs and a variety of brochures and literature.

Quality Assurance

Approved Auto Repair (AAR)

The next time you need to get your vehicle repaired, look for the AAA Approved Auto Repair sign. Only the very best repair shops meet our standards of quality. In addition, you'll get the following guarantees:

- A limited warranty by the facility for repairs, including parts and labor, that covers 12 months or 12,000 miles, whichever comes first.
- When your vehicle is in the facility being serviced, the vehicle will be inspected, upon request, at no charge for items that most frequently contribute to roadside breakdowns. You'll receive written recommendations of any needed maintenance or repairs. The free maintenance check will be done only if the vehicle is already in the shop for some other service or repair.
- If requested before repair work begins, AAR facilities agree to return all replaced parts with the exception of those that must be returned to the manufacturer under a warranty or exchange program.
- Any additional work required to repair the vehicle that exceeds the estimate will be performed only with your authorization.
- In the event of a dispute between you and a facility, the facility must abide by all decisions as arbitrated by AAA. You are not bound by AAA's decision and may seek recourse through other avenues.
- AAR facilities must employ Automotive Service Excellence (ASE) certified technicians.
- Visit [AAA.com](https://www.aaa.com) for AAR locations near you.

Driver training

If anyone in your family needs to learn to drive, or just wants to brush up on driving skills, we can help.

We're particularly proud of our work with young drivers who are statistically more at risk of accidents than any other group, mostly due to their lack of experience. AAA's Driver Training program offers courses for Mature Drivers and organizations whose employees drive on business. Our Driver Improvement Programs use AAA's nationally recognized curriculum and are designed to promote classroom participation and communication.

If you need to brush up on traffic laws and driving techniques before your next license renewal, we offer an online Driving Refresher course for all our members.

- For details on AAA Driver Training in your area, visit [AAA.com/Drive](https://www.aaa.com/Drive).

Roadside Assistance

Our services

Your AAA Membership entitles you to a comprehensive range of 24-hour prepaid roadside assistance services, so you can be confident that whatever happens, help is close by.

To take advantage of roadside assistance, call the number supplied on your membership card or on the back page of this handbook. If traveling outside your local region, you may obtain nationwide roadside assistance by calling 800-AAA-HELP (800-222-4357). Requests for roadside assistance may also be placed through our online service at AAA.com.

Who's eligible

Roadside assistance is provided on any eligible vehicle that you are driving or riding in at the time of disablement. This includes Associate Members such as spouses or driving-age children who have their own membership cards. You will be asked to present your valid AAA Membership Card before service is rendered. If your membership card is not available and your membership cannot be verified by AAA, you will be requested to pay for service at the servicing facility's prevailing rate. If your membership can be subsequently verified, you may submit your paid receipt and a reimbursement application to AAA and be reimbursed at the rate paid to AAA contractors (see "To request reimbursement").

In fairness to all members, roadside assistance should not be used as a substitute for proper vehicle maintenance. To help control membership dues, AAA has an annual four-call limit on roadside assistance usage per member. Primary and Associate Members in the same household are each eligible for four calls. Multiple service calls for the same problem will be counted separately on your service record. After the fourth call in a membership year, you may continue to call AAA to arrange for service, but must pay the service provider at the time services are rendered. These service limits enable AAA to continue providing reliable, high-quality, cost-effective roadside assistance.

Services provided

Battery boost

If you're having trouble starting your vehicle, we can give you a battery boost to get you going unless not recommended by the vehicle manufacturer.

Battery replacement

In many regions, we can check your battery on-scene with our mobile state-of-the-art diagnostic units, and install a new one while you wait or later at your convenience. The diagnostic test is free, our battery prices are competitive and we offer a 36-month free replacement warranty.

Battery replacement is available in most major metropolitan areas.

Extrication and winching

If your vehicle goes off the road, we'll send a service vehicle to get you back on track. Your vehicle will be extricated when it can be safely reached from a normally traveled road by a service vehicle with automobile servicing equipment operated by one person. If additional help is needed, you may choose to pay for additional services on-scene. In such case, the service provider may utilize additional persons or equipment needed to free your vehicle.

For AAA Plus RV Members, we'll send two service vehicles, if necessary, at no additional cost. The second vehicle is available for up to one hour of service.

Not covered: Snowbound vehicle recovery, shoveling snow, mud, dirt or sand to clear obstructions, entering areas unsuitable for vehicles or not maintained as a road, for example, beaches, vacant lots, playgrounds, creek beds, open fields, boat ramps, and forest and private roads.

- To sign up other individuals in your household as Associate Members, call us at 866-968-7222.

Fuel delivery service

If you run out of fuel, we'll send an emergency supply to get you to the nearest service station. We charge for fuel at current pump prices.

For AAA Plus RV Members, there is no charge for the fuel.

Lock-out service

If you lock your keys inside your vehicle, we'll try to open it for you.

If your keys are lost or broken, or if we can't get inside, we'll reimburse up to \$50 for a commercial locksmith to make a new key. Or we can tow you to either a locksmith, or to another destination of your choice, subject to the towing provisions in this handbook.

AAA Plus RV Members are eligible for locksmith reimbursement up to \$100 to either unlock the vehicle or make it operable.

Mechanical first aid

If your vehicle needs only minor adjustments which don't involve parts or supplies, our service providers will do what they can to render it drivable.

Please note that we can't guarantee any repairs carried out in this way. You should go straight to your nearest AAA Approved Auto Repair shop or repair facility of your choosing and see a technician.

Tire service

If you've had a blowout or a flat tire, we'll check that your spare tire is inflated and serviceable and put it on for you. If you don't have a suitable spare, we'll give you a tow. (For details of our towing service, see 'Towing' on next page.)

Please note that our service doesn't include repairing your tire, or putting on or taking off snow chains, unless as part of changing a flat tire.

For AAA Plus RV Members, our tire service also covers eligible dual-wheeled vehicles. Please note that in certain regions of the country, you might have to pay for the extra service yourself and be reimbursed later.

Towing

If the AAA contractor can't start your vehicle or make it safe to drive, your vehicle will be towed at no charge to either:

- The service provider's repair shop
- Anywhere within five miles of where you broke down

For AAA Plus RV Members, we'll tow you free up to 100 miles from where you broke down.

If you need towing further, you will be charged for the extra miles at the contractor's private rate.

Towing considerations

If you need to be towed to a particular repair shop, please call first to make sure it can take your vehicle. If they can't be there when your vehicle arrives, make sure you are — we can't leave vehicles at closed repair shops unless our members are there to accept them.

We always try to be as responsive as possible, but towing may be unavoidably delayed, for example by extreme weather conditions, exceptionally high demand, availability of people or equipment, or local laws which may only allow contractors to carry one passenger. If this happens, we can help you find alternative transportation at your own expense.

Please note that our responsibility ends when we get your vehicle to the agreed destination. You'll need to pay any further expenses yourself, such as repairs or additional towing.

- are donated to a charitable organization.
- are situated off regularly traveled roads.
- are equipped with an attached snowplow (battery, fuel delivery, lock-out and mechanical first aid services excluded).

Service will be provided to an inoperable impounded vehicle if it is not under any legal restraints and provided the vehicle is accessible.

Note: If, because of illness or injury, you can't tell us what you'd like us to do with your vehicle, we may tow it and keep it until we hear from you. Storage fees may apply.

Requesting reimbursement

In the event AAA is not able to provide you with timely road service, you may choose to contact an alternative service provider directly. However, if you obtain non-AAA roadside assistance without first requesting service from us, we will provide you a reimbursement of your expenses only up to the contract rate we normally pay our AAA service providers to perform similar services.

To request reimbursement:

- 1) Contact AAA by phone at 866-968-7222, online at AAA.com or visit your nearest full-service AAA office to obtain a reimbursement form.
- 2) Complete the form and mail it to us with the original receipt. Receipt must be fully paid in the name of the member receiving service.

Request must be submitted to AAA within 60 days of the date service was provided.

Limitations

Understandably, in providing roadside assistance, AAA cannot assume responsibility for the actions of independent service facility personnel. These facilities serve as independent contractors and are not employees or agents of AAA.

Any loss or damages resulting from their actions are the sole responsibility of the contractor and should be reported immediately to the service facility owner before repairs are made. If a satisfactory resolution with the owner has not been reached within 10 days, the incident can be reported to AAA and one of our representatives will attempt to reconcile the dispute.

AAA cannot guarantee that the service provider will have all the parts needed for your vehicle, nor will AAA accept responsibility for repairs, or the availability, delivery or installation of parts.

- Service may not be available at all AAA offices.

Emergency repair check acceptance

If you're suddenly faced with a bill for emergency auto repairs with no other way to pay, you can use a personal check for up to \$250 at AAA authorized service facilities. These facilities will accept a check printed with your name and made out for the exact amount of your repairs, supported by your driving license and AAA Membership Card.

- Please note that checks are accepted only for emergency repairs and services.

Limited legal fee reimbursement protection

If you believe you've been unjustly charged with a traffic law violation, we can help with the cost of legal fees. You can choose your own lawyer and if you're found not guilty of the charges, or if they're dismissed, we'll reimburse you for attorney fees for your defense or appeal (see Reimbursement Schedule below).

Check the following table for increased reimbursement amounts for AAA Plus RV Members.

Reimbursement Schedule

Charges		Basic Member reimbursement limit	AAA Plus RV Member limit reimbursement
Manslaughter	Trial court defense	\$500	\$1,500
	Appeal	\$500	\$1,500
Reckless driving	Trial court defense	\$250	\$500
	Appeal	\$250	\$500
Minor traffic violations	Trial court defense	\$100	\$200
	Appeal	\$100	\$200

We will pay attorney fees **you** incur to **successfully defend** a **traffic charge** made against you according to the Reimbursement Schedule. If more than one **traffic charge** is made in the ticket, citation or other statement of charges or results from the same incident, **we** will pay no more than the amount shown in the Reimbursement Schedule for the **traffic charge** for which **you** are entitled to the most reimbursement. However, we will pay only if **you successfully defend** all charges.

Conditions

- 1 We will pay only if **you successfully defend traffic charges** which concern events which occur while **your AAA Membership** is in force.
- 2 We will pay the lesser of your attorney fees or the amount shown in the Reimbursement Schedule.
- 3 **You** must select and pay **your** lawyer. **We** pay **you**, not **your** lawyer.
- 4 **You** must request reimbursement within 60 days after **your** case or **appeal** is decided. If **you** fail to request reimbursement within 60 days, **we** will not pay unless **you** have good cause for all delays.
- 5 **You** make **your** request for reimbursement by giving **us** a written statement showing the following:
 - a. The **traffic charge**;
 - b. Events from which the charge arose, and date and place of those events;
 - c. The courts **you** appeared in and the dates of those appearances;
 - d. The date when the case or **appeal** was decided;
 - e. Proof of acquittal and dismissal of any **traffic charge** arising from the same incident without imposition of fines, penalties, points, probation or sanctions.

A statement from **your** lawyer must be provided indicating what services were performed and what the fee was.

Important notice concerning your privacy

At the Auto Club Group, maintaining your trust and confidence is a high priority. That is why we want you to understand how we protect your privacy when we collect and use information about you, and the measures we take to safeguard that information. We also want you to understand the benefits of your relationship with us, including valuable offers you may receive through the mail or by telephone, and how you can let us know if you prefer not to receive these offers ("opt out"). The companies listed below are all related by common control or ownership and are referred to in this Notice as "Affiliates," "we," "our," and "us."

Information we collect

As part of providing you with our products and services, we obtain non-public personal information ("Customer Information") about you, including:

- Information we receive from you on applications, surveys, online registrations or other forms (such as your name, address and date of birth);
- Information about your AAA Membership, your insurance needs, your driving record, claims history, and other financial transactions with us and others; and
- Information about your creditworthiness, credit history, and other information about you that we obtain from consumer reporting agencies, from other companies we work with, or from providers of marketing and demographic information, including information that may indicate your purchasing preferences, and information obtained in connection with our efforts to protect against insurance fraud.

Information security

Only those persons who need it to perform their job responsibilities are authorized to have access to Customer Information. In addition, we maintain physical, electronic, and procedural security measures that comply with legal requirements to safeguard Customer Information.

Disclosures to service your account

To provide customer service to you, to process your insurance, financial services, or membership transactions, to conduct research and analysis, and to deliver your membership benefits and programs, it is often necessary for us to disclose Customer Information to companies that work with us. For example, we may provide certain Customer Information to companies, including our Affiliates, that perform services in connection with customer benefits, services or programs, or that perform other business operations or services, including marketing services, on our behalf. We may also provide certain Customer Information to companies that offer AAA Member Programs in which you have enrolled or which are provided as part of your AAA Membership, or to other financial institutions with which we have joint marketing agreements. And we may provide certain Customer Information to others outside our affiliated companies as permitted by law, such as to government entities or other third parties in response to subpoenas, or to consumer reporting agencies.

Disclosures to provide you with offers for products and services

An important benefit of your customer relationship with AAA is the opportunity to receive offers for products and services from companies that provide special programs, services or discounts especially for AAA Members. We try to provide these offers to customers who are most likely to find them of value.

Offers for AAA products and services

We work with our Affiliates and other companies that perform marketing services on our behalf to develop and make offers to you of products and services of AAA and our Affiliates, based on Customer Information.

Offers for products and services of other companies

We may disclose Customer Information about you to: financial service providers such as banks and insurance companies; non-financial companies such as retailers, direct marketers and travel providers; and others such as other AAA clubs or their affiliated companies.

If you prefer, you may opt out of these disclosures; that is you may direct us not to make disclosures to non-affiliated third parties (other than disclosures permitted by law). You may opt out by filling out and returning the form on the next page. If you opt out, you will not receive offers for products and services that result from these disclosures. However, we may still include notices and information about other products and services when communicating with you about your account and related products and services. You may also still receive mailings that are developed independently and are not based on Customer Information. The request from any customer of ours residing in your household will apply to all of our customers in your household as well.

Disclosures to other affiliated companies

Our Affiliates include a number of related membership, travel, insurance, and financial services providers. We are permitted by law to share with our Affiliates information about our transactions or experiences with you (such as your account balances and payment history). You may direct us not to share credit related or other information shown on consumer reports with our Affiliates, except as permitted by law.

If you prefer that we not share this credit related information with other Affiliates, you may direct us not to by selecting that choice on the form on the next page and returning it to us. If you opt out, we may still share information with our Affiliates as permitted by law, but you may not receive offers for other products or services that may be of value to you.

Former Customers

If you decide to terminate your customer relationship with one of our companies, or your account becomes inactive or is closed for some other reason, we will continue to treat and safeguard your Customer Information as described in this Notice.
